

Dr. K. Sendhil Kumar

Consultant GJ Laparoscopic Surgeon

Targeted Industry: Healthcare

Targeted Locations: Coimbatore / TN / India

+91-9842227594

drksendhil@yahoo.com

Coimbatore, India

PROFILE SUMMARY

- Dedicated professional, offering over 26 years of experience as a Consultant Surgeon in Endo-Surgery & Laparoscopic Surgery; dedicated in contributing to the betterment of the Healthcare Sector
- Exposure of working in International HealthCare Institutes such as Mount Sinai Medical Center, New York | Institute of Laparoscopic Surgery, Bourdeaux, France as Surgical Observer at Heidelberg University, Germany
- Skilled in organizing, monitoring, and maintaining the clinical services provided within the department in order to achieve the highest possible level of patient care with optimum utilization of the available resources
- Avid researcher; presented various Research papers as author / co-author in various National and International Conferences & Journals
- Have successfully made world records for 2 major surgeries such as Limca Book, IBR, International Book of Records and Asia Book of Records
- Holds the distinction of participating in various Live Laparoscopic Surgery Workshops such as Liver surgery at New Delhi, Sir Gangaram Hospital performed Oesophageal and Gastric Cancer Surgery | Celioscope 2013 and 2014 conducting national level live laparoscopic Surgical Conferences

KEY RESULT AREAS

- Communicating with patients and other medical professionals to create a treatment plan that includes Pre-operative Preparations, Surgical Protocols, and Post-operative care
- Preparing reports and other forms of documentation to keep patient charts updated around the clock during pre-and post-surgical hospital stays
- Working with patients to explain the diagnosis; discussing treatment options, and managing symptoms and side effects of the treatment
- Adhering to policies, guidelines, plans and programs; assuming direct responsibility for patients in the assigned unit
- Conducting rounds & supervising the treatment of the inpatients as well as screening and examination of the outpatients
- Supervising medical staff within the unit and preparing regular reports on the activities of the unit for the department head / chairman
- Participating in the planning and implementation of the department development plans and manpower training programs for the medical, technical and nursing staff
- Planning and following up on the medical education and research activities; scheduling on-call duties & providing on-call services
- Assessing & updating drug, medical supply and equipment needs; providing guidance and counsel to other departments

WORK EXPERIENCE

DOMESTIC MEDICAL EXPERIENCE

Since April 1998

Coimbatore Institute of Gastrointestinal Endo-Surgery (CIGES)-unit of GEM Hospital & Advanced Laparoscopic Surgical Center, as Surgical Fellow

March 1994 – March 1997

Coimbatore Medical College Hospital - Department of General Surgery, as Post Graduate Student – Surgical Rotation

Contributed expertise in various departments like Plastic Surgery, Pediatric Surgery, Urology, Surgical Gastroenterology, Cardio Thoracic Surgery and Orthopedics

CONSULTANT SURGEON

- Surgical Laparoscopy
- Diagnostic Testing
- Treatment Planning
- Counselling & Guiding
- Gastrointestinal Endo-Surgery
- Surgical Critical Care & Research
- General Surgery
- Patient Care
- Resource Utilisation

DEPARTMENTS

- Plastic Surgery
- Pediatric Surgery
- Urology
- Surgical Gastroenterology
- Cardio Thoracic Surgery
- Orthopedics
- General Surgery
- Trauma Care
- General Medicine
- Intensive Care
- Pediatric Medicine
- Obstetrics
- Gynaecology

PROFESSIONAL AFFILIATIONS

- Life member, Association of Surgeons of India (ASI)
- Life member, Tamil Nadu Medical Council
- Indian Association of Gastrointestinal Endo-Surgery (IAGES)
- AMASI (Founder Member)
- Society of Endoscopic and Laparoscopic Surgeons of India
- Health Service Indicator
- AWRSC

ACADEMIC DETAILS

1997:MS (Master of General Surgery)

Coimbatore Medical College Hospital India

1991:MBBS (MD Equivalent)

Coimbatore Medical College Hospital India

FICS, FACS (USA), DNB (Surg Gastro)

GEM Hospital, Coimbatore in 2006

March 1993 – March 1994

Kumaran Hospital, as Surgical Resident in General Surgery and Surgical Gastroenterology

February 1992 – February 1993

Coimbatore Medical College Hospital, India as Compulsory Rotary Resident Internee (CRRI)

Delivered services in various departments such as General Surgery, Trauma Care, General Medicine as well as Intensive Care, Pediatric Medicine, Obstetrics and Gynecology including family practice and community medicine.

INTERNATIONAL MEDICAL EXPERIENCE

March 2002

Mount Sinai Medical Center, New York, USA at Department of Minimally Invasive Surgery

Actioned as Surgical Observer for one week with Dr. Barry Salky MD FACS and Dr. Michel Gagner MD FACS

April 2002

Institute of Laparoscopic surgery, Bourdeaux, France

Functioned as Surgical Observer for one week with Dr. Dulucq

SAGES Meet 2014

Salt Lake City

- Laparoscopic excision of Choledochal Cyst with Hepatico Jejunostomy
- 2015 – Clinical congress – Chicago –USA
- Thoraco Laparoscopic Oesophagectomy for lower 3rd Oesophageal Cancer (accepted for presentation)

August 2016

Heidelberg University (Pancreatic Surgery Division) – Under Prof. Buchler

LIVE LAPAROSCOPIC SURGERY WORKSHOPS

- Celioscope 2013 and 2014 conducting national level live laparoscopic Surgical Conference (2015 and 2019)
- Laparoscopic Hernia training course, Laparoscopic TLH training course from Gateway Clinics, once every 3 months
- Liver surgery at New Delhi, Sir Gangaram Hospital performed Oesophageal and Gastric Cancer Surgery

PERSONAL DETAILS

Date of Birth: 19th May 1970

Languages: Tamil & English

Address: No.2, VCS Nagar, GN Mills, Coimbatore

ANNEXURE

PRESENTATION AND PUBLICATIONS

European Congress I.H.P.B.A, “Athens’95” – 25 to 28 May 1995, Athens, Greece.

- The role of retrograde approach in Laparoscopic Cholecystectomy (F061)
- Laparoscopic modified subtotal cholecystectomy (P040) – selected as one of the 2 best papers in this conference
- Laparoscopic cholecystectomy in Malpositioned gall bladder (P045)
(HPB Surgery – A world Journal of Hepatic, Pancreatic and Biliary Surgery – Volume 9 Supplement 1 (1995) contains abstracts of these papers)
The original articles of these abstracts have come in the textbook (Page: 347-358) Edited by L. PAPASTAMATIOU – this book has the original articles of various papers presented in I.H.P.B.A conference was held in Athens, May 15 - 28, 1995

Fifth World Congress of Endoscopic Surgery – held in Philadelphia, USA, 15 – 17 March 1996

- Laparoscopic Cholecystectomy in Cirrhotic Liver
- Laparoscopic Management of obstructed Duodenal Ulcer - a New approach
(Surgical Endoscopy – February 1996 – Contains Abstracts of these papers)

Second World Congress of International Hepatic - Pancreato – Biliary Association, Bologna, Italy, June 2 – 6, 1996.

- Laparoscopic Cholecystectomy in Cirrhotic Live (F248)
- CO2 Pneumoperitoneum Vs Gasless Laparoscopic Cholecystectomy (P417)
- Pancreaticoduodenectomy for Neurogenic Tumor of Common Bile Duct – Rare Tumor of Bile Duct (P418)
- Laparoscopic removal of impact ERCP basket – First Cases Report (P419)
- Laparoscopic Cystogastrostomy for Chronic Pseudocyst of Pancreas – Totally Intracorporeal hand Sutured. (V080)
- Laparoscopic Splenectomy – Retro Gastric Anterior approach of Large spleens (V081)
(HPB Surgery – A world Journal of Hepatic Pancreatic and Biliary Volume 9 Supplement 2 (1996) contains abstracts of these papers)
The original articles of these abstracts have come in the textbook (Page: 761 – 776, 943 – 946, 1087-1090, 1185-1188) Edited by A. CAVALLARI, A. MAZZIOTTI, A. PRINCIPE; This book has the original articles of various papers presented in I.H.P.B.A – 2nd World Congress held in Bologna (Italy), June 2-6, 1996

15th World congress of CICD was held in Seoul on September 11 - 14, 1996

- Thoracoscopic Enucleation of Leiomyoma of Oesophagus
- Laparoscopic Heller’s Cardiomyomectomy for Achalasia Cardia
- Laparoscopic Appendicectomy – New Two Hand Technique
- Laparoscopic Cholecystectomy for Acute Gangrenous Cholecystitis
- Laparoscopic Splenectomy
- Laparoscopic Cystogastrostomy for Chronic Pseudocyst of Pancreas – totally intracorporeal Hand Sutured;
The original articles of number 1,2,3 have come in the Text Book presented during the conference edited by JIN-POK-KIM, ROBERT E.CONDON

Second Annual Conference of IAGES held in Mumbai, INDIA on November 15-17, 1996

- CO2 Pneumoperitoneum Vs Gasless Laparoscopic Cholecystectomy
- Laparoscopic Excision of Choledochal Cysts
- Laparoscopic Rectopexy
- Laparoscopic Cystogastrostomy for chronic pseudocyst of pancreas – Totally Intracorporeal Hand Sutured
- Laparoscopic Heller’s Cardiomyotomy
- Thoracoscopic Excision of Leiomyoma of Mid third Esophagus

National Conference of Indian Association of Surgical Gastroenterology, held in Madurai, India on 19 - 21, September 1997

- Role of Laparoscopy in the management of intestinal obstruction
- Laparoscopic Heller’s Cardiomyotomy
- Laparoscopic Management of Difficult Gall stone diseases
- Laparoscopic Management of Complications of chronic pancreatitis – chronic pseudocyst of pancreas
- Chronic calcific pancreatitis – Laparoscopic Modified Pancreato Jejunostomy
- Acute Gastric Coliculus due to diaphragmatic Hernia – Laparoscopic Management
- Laparoscopic Cholecystojejunostomy – A case report
- Laparoscopic Rectopexy

Fourth Congress of the Asian society of Hepatic-Biliary Pancreatic Surgery, June 19 - 21, 1997 Tokyo Big Sight, Tokyo, Japan

- Laparoscopic internal drainage for chronic pseudocyst of pancreas, (FV 4-20)
- Laparoscopic Cholecystectomy in cirrhotic liver – Problems and management (F029-134)
- Laparoscopic modified subtotal cholecystectomy – Indications and techniques (F030-139)
- Laparoscopic repair of left hepatic duct injury – Case report (FP2-53)
- Laparoscopic excision of intrahepatic choledochal cyst – a case report (FB 4-88)

Third Congress of Endoscopic Surgery – IAGES held in Hyderabad, Feb 14 - 16, 1998

- Laparoscopic presacral Rectopexy for for procidentia
- Role of Laparoscopy I acute small intestinal obstruction
- Therapeutic role of Mini-D-Laparoscopic Surgery – Personal Experience

Sixth world congress of Endoscopic Surgery, Rome May 31 - June 6, 1998.

- Result of Hand Sutured Laparoscopic Hernioplasty: Effective method of repair
- Laparoscopic Modified subtotal Cholecystectomy: Indications and techniques (Has won the best paper award)
- Role of Laparoscopy in acute small intestinal obstruction
- Laparoscopic correction of acute gastric volvulus and repair of diaphragmatic hernia performed in a pregnant lady
- Laparoscopic pancreato jejunostomy for chronic obstructive calculous pancreatitis

Third World Congress of International Hepato Pancreato Biliary Association, Madrid (Spain), May 24-28, 1998.

- Laparoscopic excision of intrahepatic Choledochal cyst – a case report
- Laparoscopic modified subtotal cholecystectomy: indications and techniques
- Laparoscopic pancreato jejunostomy for chronic obstructive calculous pancreatitis
- Laparoscopic repair of left hepatic duct injury
- Laparoscopic internal drainage for chronic pseudocyst of pancreas

7th World Congress of Endoscopic Surgery – June 1 - 4, 2000, Singapore

- Laparoscopic distal pancreatectomy
- Laparoscopic Radical nephrectomy
- Technique and results of Laparoscopic Hepatico-jejunostomy in choledochal cyst excision
- Laparoscopic Splenectomy – Retrogastric anterior approach
- Laparoscopic pylorus preserving pancreaticoduodenectomy (Whipple's Procedure)
- Laparoscopic lateral pancreato-jejunostomy for chronic calcific pancreatitis.
- Total thoracic laparoscopic Oesophagectomy
- Laparoscopic Cystojejunostomy by modified paracolic approach for unusual presentation of pseudocyst of pancreas
- Laparoscopic distal pancreatectomy

Indian Association of Gastrointestinal Endosurgeons – IAGES, January 31 – February 03 2002, Kolkata

- Thoracolaparoscopic Oesophagectomy
- Role of tension-free Cruroplasty in the management of large hiatus
- Laparoscopic excision of leiomyoma DJ flexure with Duodeno jejunostomy
- KLA Paroscopic spleen preserving distal pancreatectomy.
- Our early experience in liver resection
- Laparoscopic pylorus preserving pancreatoduodenectomy (Whipple's procedure)
- Biliary injury – Laparoscopic Management
- Laparoscopic Pyeloplasty
- Tailored procedure for inguinal hernia repair.
- Laparoscopic excision of choledochal cyst and Hepatico-jejunostomy
- Hydatid cyst liver – Laparo – assisted percutaneous extraction – Newer Approach

Society of American Gastrointestinal Endo-Surgery, USA, March 29 - 31, 2000.

Following videos are included in the SAGES Video Library

- Laparoscopic Whipple's operation for cancer pancreas – SAGES 2000
- Laparoscopic excision of choledochal cyst and Hepatico-jejunostomy – SAGES 2001
- Laparoscopic lateral pancreatojejunostomy for chronic pancreatitis – SAGES 2001
- World Records for various surgeries
